BEAMA is the voice of the Asset Management sector in Belgium

BEAMA represents the Asset Management profession, develops the Asset Management activities in Belgium, and improves the image of the sector and its members.

BEAMA is a constituent association of Febefin, the Belgian Financial Sector Federation

BEAMA is a member of EFAMA, the European Fund and Asset Management Association

BEAMA offers two membership possibilities

Full membership

1

Full members enjoy significant benefits, including helping shape industry positions, gaining first-hand access to regulatory and political information, actively engaging with industry peers and policymakers, and much more... Full members can also have voting rights within BEAMA's governance.

2

Associated membership

Associated members can benefit a limited service offering consisting of publication of fund NAVs as well as fund press notices on the BEAMA website. This way, you comply with the related legal obligation for your funds registered at the supervisor FSMA for commercialisation in Belgium. Associated members do not have voting rights within BEAMA's governance.

The general rules for the calculation of the Membership contribution are subject to approval by the General Assembly, upon proposal by the Board of Directors at the time of the annual budget exercise.

Full Membership

The annual contribution for full membership is relative to the **type and the size of the institution's activities** in Belgium.

Associated Membership

The annual contribution for associated membership depends on **the volume of ISIN-codes** for which fund NAV and UCI communications are published.

The fund or the fund manager needs to inform us on the number of share classes involved.

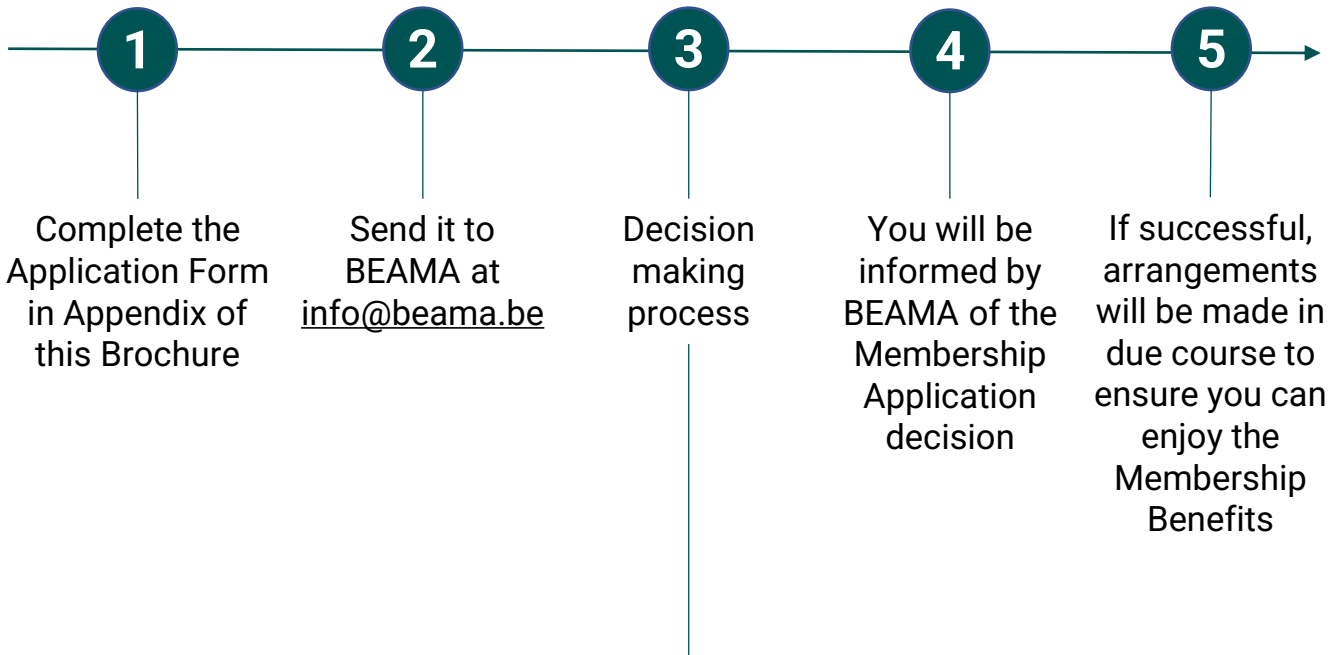

Our financial year ends on December, 31. If you become a Member in the course of the financial year, a **pro rata** contribution is calculated.

For more information, please consult the BEAMA by-laws on our website, or contact us.

HOW TO BECOME A MEMBER?

The Membership Application procedure is as follows:

Depending on the Membership type, the procedure is different

Full Membership

Your Application will be handled at the next **Board of Directors** meeting. If the Board consents with the candidature, you become a **candidate-member**. You will already receive general information and can participate in working groups with observer status. Following a positive decision of the Board, a candidature for full membership will be put on the agenda of the **next General Assembly** - approval has to be given by 2/3 of the members. After this procedure you have full member status. The consultation of the General Assembly can be replaced by a written procedure when necessary. The time frame for this procedure is on average **6 - 8 weeks**.

Associated Membership

Your Application will be handled at the next monthly **Board of Directors** meeting. If your candidature is compliant with the conditions of the requested Associated Membership that have been laid down by our past general assemblies in line with our bylaws and the **Board consents** with the candidature, you become an associated member. The time frame for this procedure is on average **4 weeks**.

We look forward to welcoming you!
